Joshua and Caleb disagree - the people demand to return to Egypt. G-d sentences the slave generation to wander for 40 years - die of a plague in the desert, all except Joshua and Caleb. When Israelites settle in their new land - they were to wear tzitzit fringes on corner of their garments and make special sacrifices.

**HAFTARAT JOSHUA - 2.1 - 24**

Joshua sent two spies to reconnoiter the region of Jericho. They came to the house of Rahab, a harlot and lodged there. The king heard about the two men and wanted them. She had hidden them under flax. She told the king they left - go after them. She knew the lord would give the land to the Israelites, and wanted assurance she and her family would be saved.
